Dear Welcome Home Friends and Family,

Happy New Year!! May this next year be one of

a greater outpouring of God’s love. Don’t forget that His Mercy and Grace that none deserve are new every morning for those who cry out to Him. We try our best to teach the children to trust God. When they move on from the home and face tough times they know how to reach out to the Lord for help themselves no matter what age they are.

The Christmas season has been one of Joy for our children and staff as they celebrated that God sent his son Jesus to pay for our redemption so that we experience His wonderful gift of Salvation.

The children had a great time helping decorate the Christmas trees. Friends donated new safe plastic ornaments to replace the worn ones.

The 19 year old triplets on the left come back to say thank you more often now they are older and can travel alone. They also enjoy getting advice from William who is like a dad to many of the children who have gone home to the village. Please pray for them to finish High School and do well.

Thank you for your love and support. We appreciate your faithfulness to care for the children.

*Blessings from Mandy,
and Your Welcome Home Family.*
