To Love, Care, and Pray Destitute Babies Back to Health; or into Jesus Loving Arms

Getting the dental care from father and son.

Mumma Joy Loves the little ones back to health.

Dear Welcome Home Friends and Family,

This past month has been such a blessing with a dental team from Colorado and a team of youth from Michigan, Colorado and Oklahoma. Our Welcome Home children all had their teeth checked and all received the great news that they needed no work. Compliments were given to our staff by our dentists Chris and Dan because of the great job of caring for the children's teeth. Great work children and staff.

Pictured above and top right are a set of twins that came to us in a very fragile state. At very close to year old they are working hard to both get to be above 7lb. One just made it to 7lb today and the other is 7lb 6oz. Their home circumstance was very poor, a mum who has mental health issues and a senior dad. They are recovering but making slow progress due to a bad cold that has been through the home. They smiled today!!!

The triplets on the left will be with us until their mum can provide for them and have a home for them to live. She is going to have to work hard to make it.

We are so thankful to our supporters in the Netherlands for the new mattresses we had made for all the beds and for the funds to paint the house. It was looking quite shabby but is in the middle of a face lift now.

The medical clinic has had its first inspection and we are on the final touch up and will be equipping it this week ready for the final inspection. Of course since I am involved, the gardens around the building have been planted with lots of plants from the WH garden.

We have had a visitor named Rachel who is 19 yrs. She left the home when she was 4 years old and came back to see where she came from and to help and pour lots of love on the children. Thanks for the gifts Miss R.

Thank you all for your love and support that touches the lives of so many in desperate need.

Blessings from Mandy, and Your Welcome Home Family.
