

Siblings Maria and Isaac, home for Christmas.

We work hard with the family so that they are able to afford to give the children the care they need, and a successful childhood with enough food, and goats to breed so they will have money for school fees.

Dear Welcome Home Friends and Family,

Another year has flown by with a large number of children's lives being touched by love, prayer and the gospel message. Most of these children are in the home, but many are also at our mercy gate (front gate) or in the villages where we minister. It is a privilege for us to be your hearts and hands extended to these little ones and their families.

In Michigan this November it was wonderful for my hubby Luke and I to meet up with 18 of our Ugandan children, settled with their adoptive families in Michigan and Wisconsin. They are all growing up so well with their forever families.

*Have a Wonderful Christmas!
Blessings from Mandy, and
Your Welcome Home Family.*

Margaret home for Christmas with bed and goats

It is a wonderful victory for Margaret to head home with her family for Christmas. Please pray for all our children who return home to family to do well, and that their family's means of income does well. We also pray the goats breed twins (for school fees).
