To Love, Care, and Pray Destitute Babies Back to Health; or into Jesus Loving Arms

June 2019

Parties are just too much for these two.

Dear Welcome Home Friends and Family,

There is a lot of joy at Welcome Home where the children enjoy love and security with a staff of mums and uncles that care for and about them. They have plenty of good nutrition, a house that is home, a comfortable bed and toys to keep them occupied when the older ones are not at school or doing home work. They are taught about God and His wonderful love for them. They know many of the bible stories off by heart and love to spend time everyday worshipping. The singing is healing to them as it fills their hearts with the Lord's peace.

They all know "Jesus loves me this I know!"

It is really sad but also good when we got a visit from the little 10 year old boy on the left who is struggling for his life. He was barely strong enough to sit. He is HIV Positive and needs some good protein to help boost his system, so we are now supplying him eggs and milk for several months so that he can begin recovery. With his medications and a diet with protein in it he will do very well.

This month we have a return visit of 2 of our adopted children with their mum and dad, with a team of 21 to run a dental clinic for our staff and children. Thank you Team! Please pray for the bigger children - this is their first time to the dentist!

We are very thankful for the teams who sew dresses, shorts, aprons and blankets for us. You help care for our children well and are appreciated.

Thank you to all our financial partners as well.

You make this all possible!

Blessings from Mandy, and Your Welcome Home Family.
