Party time: our children singing with the team

Malaria, starvation, now to have blood transfusion

At the Trade School, a gift of Tools from Michigan.

Dear Welcome Home Friends and Family,

This past month was very busy with quite a large team of visitors. 20 of them came from Hudsonville Michigan area where several of our children are now settled. This team carried over the good sturdy tools they had gathered as a gift to the Village (Vocational Training) Trade School in Lwambogo. Other volunteers came from Tennessee, California and Australia. Some are still there.

Michigan team - led by Aaron and Lisa - ready for home.

The men registered for the village Trade School.

PARENTS WITH JOBS = FOOD FOR CHILDREN.

Our dear little Ethan goes home with his mattress, mosquito net, clothes, shoes and a couple of toys. It took his mum 2 years while he was at the home to get her life back on track. Mum had a microloan from us, now has her own solid business selling beautiful material from the Congo. Ye!!!

Thank you for partnering with us to touch the lives of the innocent children who need our help.

Please don't forget *amazonsmile*
