To Love, Care, and Pray Destitute Babies Back to Health; or into Jesus Loving Arms

2018

One of our boys - so proud of his building.

Books and reading are a big part of each day.

The children are enjoying their books.

Dear Welcome Home Friends and Family,

This past year we have been working a lot on child development. We want all the children to have a good start to their education and life. A tutor has been helping fill the gaps in their educational foundations also guiding our staff.

Elizabeth reads with the big babies every day.

It is a blessing to keep an atmosphere of love and nurture so the children can recover and grow up in a place of safety and healing.

As the end of year approaches we want to thank you so much for your love and support extended to these little ones. You are helping make a difference in their lives not only today but also in their future. They are now starting to think "outside the box". It is wonderful to see their confidence grow.

We wish you and your families a Blessed Christmas as we celebrate the Lord's birth, and a Happy New Year.

Thank you all so much for partnering with us.
