Dear Welcome Home Friends and Family,

We ended our year with 9 young children brought to us by the government from a closed orphanage that was functioning illegally and not caring for the children properly. After a few days they decided they had given us too many so came and took 3 of them to another home. The children made a big scene as they realized they were being taken to a place not much better than they had left. They arrived back at WH victorious and happy to wait out their time with us while the agency searches for their family. Good food, **love** and a place to sleep and play has touched their lives giving hope.

Above: 8 stayed, See countenance change in 3 weeks
Thank you!! You make touching these young lives possible be it in the home or the village.

*Blessings from Mandy
and Your Welcome Home Family*
