Dear Welcome Home Friends and Family,

July is always a busy month for us with visitors. This year we had 4 Dutch women who came bearing gifts and a lot of fun energy. They have been wonderful with the children as well as teaching the staff. An American young girl back for her second visit poured out lots of love. Also a bus load of English who come from their school every year. They always bring clothes and hand made blankets from their grandmothers. This year their monetary gift was just the right amount to restore our workhorse van that does all the market runs. It was badly rusted and legally needed some work that is happening now. It has a great engine and just needed a face lift. Thank you!!

It was a blessing to help a young mother of a little blind boy. We gave her the gift of a sewing machine to enable her to have a business at home where it is safe for her blind son to get around in familiar territory.

July has also been an intense month of working on the futures of all the children. We so appreciate the help of the Police Mumma in charge of children's affairs at Jinja Main Police Station who is always ready to help us get resolution in difficult cases and help us find the truth. DNA tests also are a help to unravel messy cases. There are many return home dates planned so we are working to make sure those families are ready. There are several of our children who will find a new future with an adoptive family.

We welcomed 6 little ones into our home this past month, all of them in great need of care and protection. It was a blessing to be able to send Linda and Hannah home to their families. We will watch their progress to make sure life goes well for them.

Thank you all!!

You make our work possible.

Blessings from Mandy and Your Welcome Home Family
