*Dear Welcome Home Friends and Family,*

This past month we celebrated the resurrection of Jesus Christ. We have our wonderful Salvation because of His sacrifice on Calvary.

Above Pix William and I with some of the children at the entry of the home with the two new vehicles purchased for us by the de la Mar family of the Netherlands. Their three girls came from our home. Thank you so much for your love and sacrifice. This gift was planned last year for a large van shipped from Japan only to have others take it in Mombasa.

Above: The last five older girls from the orphanage the government closed going home to their parents.

Dr Phillip joined us for our village medical clinic. One of his first patients was a woman in heart failure. He has since performed seven major surgeries for us.

Sadly we lost a little girl we named Lori Mikyla who came in and spent 3 weeks in hospital trying to recover from starvation and severe TB of the lungs.

**Thank you all!!** You make our work possible.

*Blessings from Mandy  
and Your Welcome Home Family*
