## Dear Welcome Home Friends and Family,

What a busy month for us: 9 volunteers from Australia and 1 from Holland, and 5 adoptive families. We make sure the routine for the children stays constant so they remain secure in their little lives. They have loved the extra attention that culminated with a wonderful loud party on the 20<sup>th</sup>. The children performed songs and plays and dances. The mums danced to the drums, teaching the children their customs. We had over 300 balloons, a standard that makes a gathering a party for our Welcome Home children. No balloons equals no party to them. Neighbors climbed on top of cars to look over our fence to see what all the very very loud happy sounds were about.

Below: The older children performing one of their songs with dance.

Below: a new truck, a gift from Holland. Thank you so much!!!!

Left: Catherine a 13 year old village girl desperately needs medical help. Pray for us as we seek to arrange her care for a very rare disease called Epidermodysplasia verruciformis (Tree man - runaway warts from HPV).

We appreciate your love and concern and support for our Welcome Home Family. There is so much to tell it is hard to choose what to share. I hope you enjoy the highlights of our very packed month.

Please send (designated) gifts for the staff Christmas Bonus
