Dear Welcome Home Friends and Family,

Please pray for Jinja as there is now an armed gang of around 8 to 10 men who are committing robberies all over the town within the local and also mission community. One mission family had 4 people seriously hurt needing surgery. This week we put in loud alarm systems at 3 of our bases.

We have 2 new boys come in this past month. Mothers health issues and poverty the main reason for their admission. Joseph came in the best his mum could manage, a little pink dress. Hopefully in the next month we will be able to help the mums medically & find a way to help them out of poverty.

The children in Uganda and the staff are all doing well. Thankfully we have been able to get all the food supplies and any medical care needed.

Our probation officer since 1996 Mr Opio has now taken his well deserved retirement. We wish him well and look forward to working with the team that he has trained to fill his shoes.

Michigan They had to turn their July picnic into an event where people came to drop their donations off at the park. They were treated to ice cream and goodie bags. Thanks to all who participated.

If you are interested in T-shirts Email me at **LMSydo@gmail.com** and I will connect you.

Grant Funds are now in our bank for the medical clinic in Lwambogo. We are all set to clear the ground of sugar cane in preparation for building. It is a blessing to see the Lords provision to take care of the needy in the area, especially the sick kids.
