Dear Welcome Home Friends and Family,

This has been another busy month at Welcome Home with visitors from Australia, Holland and the USA. Annemie and Alibert on their regular April visit bringing with them friends Finy and Karin from Holland. Paul and Melinda came from Australia and fell in love with the children. They had a hard time leaving them all. Mandy also checking on the home and the extended ministry out into the villages.

We are very pleased with the condition of the home and how well it is being run by our fully Ugandan staff. We had a recent inspection from the Ministry of Gender (child protection) and UNICEF which we passed with flying colors. They were extremely pleased with how we run the home and the condition they found it on their surprise visit.

New baby Jacob admitted from sad family circumstance. At one week old his mother was beaten to death and his father is in prison. He came in weighing just over 4lb and was quite malnourished.

Two new water tanks are connected to supply the flushing of our toilets. We hope this will save us quite a lot of money on our water bill. A new school room is very close to completion. Thanks to the people of Holland for your generosity.

It is thrilling to see the response of the people in the village of Kagomergate to our outreach there. Over 60 adults involved with 100 of their children. The village is changing a lot for the better.

Funds are short are you able to help? We realize there are a lot of needs but we ask you please do not abandon our little ones.

Blessings from Your Welcome Home Family
