To Love, Care, and Pray Destitute Babies Back to Health; or into Jesus Loving Arms

2019

Trikes are used a lot to have fun with friends.

Tonka trucks are our most popular toy for all.

Dear Welcome Home Friends and Family,

This group of pictures is an afternoon this week with our kids when they get home from school. You can see the one little boy in big babies on the right pointing at Uncle William telling him off for taking his picture. They are a lot of fun and have lots of personality that comes out when they know you.

They all have the luxury of being kids!! With enough good food in their bellies, people that love and care for them, and an education along with people to help with home work, and toys to play.

Our goal is to give them a good foundation in their little lives that will help them have a good future no matter where they end up in life. They are taught to have faith in the Lord and learn to pray and worship Him every day. They love to sing!!!

Thank you all so much for partnering with us

We hope you enjoyed your walk through.

Blessings from Mandy, and Your Welcome Home Family.

These boys are a lot of fun to watch. Always up to tricks.

They love to be pushed around in the Tonkas.

Just up from her nap, looking a bit sleepy still.
