

Welcome Home Ministries – Africa

June 2011

“To Love, Care, and Pray Destitute Babies Back to Health; or into Jesus Loving Arms.”

Dear Welcome Home Friends and Family,

Volunteering is a blessing - so this month we follow the life of Katy and Linda having a three busy months adventure serving in Uganda

Above Helping Oscar learn to hold up his big head (Hydrocephalis).

Katy: I have spent time in each department educating the staff on different ways to help the children reach developmental milestones. I have been blessed by the staff here and how eager they are to learn. I have also been encouraged to see others reach out and follow Christ's commandment, caring for His children. It has been a privilege to work with Welcome Home Ministries in Jinja!

Above Katy, Linda & Pastor Timothy-boat trip to minister in the villages

Linda: My role here has not been so closely linked to the children as to the staff, as well as spokesperson and teacher of Simply The Story (STS) to area pastors and leaders. I had a specific goal: to bring STS to Jinja, and to aid in the orphanage as best I could. That led to teaching English to three of the staff, and computer and typing to another. I have aided in helping the Bible team to bring more relevance to the children in the villages and schools as they share Bible stories with them. *We thank Linda & Katy for their service, and you, our faithful supporters.*
