Dear Welcome Home Friends and Family,
We wish you all a Blessed Christmas and a Wonderful New Year. This past year has been very busy seeing a lot of transition in many of our children's lives. Some to new families via adoption and fostering, some home to their remnant families. **Nicholas and Faith** (who suffered terribly at the hands of a neglectful Father and Stepmother) are going home on a trial basis to the grandmother who loves them. **Child Protection** and **Welcome Home** will be watching to see that dad supplies their needs and good care is given to them both.

Little Timothy (now known as **Levi**) needs prayer as he faces his 3rd Open Heart Surgery on the 30th November. Please pray for him. It is a miracle that he is alive as children with such bad heart defects often do not last more than a year. He is in a loving family in the USA with five other children from Uganda.

Grace goes home to her family with three goats, mosquito net, and a mattress, plus 4 sets of clothes and shoes. She was shy but happy to have the blessing of having family. Our children all long for a family.

Thank you sincerely for your love and support. It is you who make it all happen for these children - a chance at life.

Blessings from Your Welcome Home Family
