Another victory of a return home to family..

Dear Welcome Home Friends and Family,

Pictured are five boys out of six that came in this past month. Three of them their mothers are deceased. The mother of the twins died after child birth and the other boy his mother died from a snake bite on the way home from the well. One boy, mum abandoned to poverty stricken dad, the other two have mothers with mental health issues and the dads are unable to care for the children.

A restoration home to the family in the village.
