2014

Dear Welcome Home Friends and Family,

We are so very thankful for all the volunteers and supporters. The ones who come to Uganda and spend time loving and teaching the children and staff; and also those back home who sew, gather much needed items, give financially and help raise funds. We appreciate you!!!! As without you we would be in an impossible situation. Your faithfulness enables us to touch the lives of many children who have been in desperate need. There are a lot of heartbreaking stories behind the lives of these little ones - touched by your love.

Over the past 10 years Volunteers have been a major part of the Staff training - for the superb level of children care and management skills that we have.

Would you like to help or to come visit? Please feel free to contact us to help or volunteer.

Blessings from Mandy and Your Welcome Home Family
