Dear Welcome Home Friends and Family,

There have not been enough rains to break the drought in Uganda. Because of the poor growing season many families who dig are still struggling. Please pray for rain - children's lives depend on it.

I have just come back from Uganda where we had a bunch of children with colds and runny noses. Otherwise the children are happy and well.

We are pleased to let you know of the book called "Redeeming Ruth" (on Right) written by one of our adoptive mums (available via Amazon). My husband and I had the joy of staying with this family. We were able to see first hand how their family all loved and sacrificed so much to care for dear Ruth.

The Merrill Family made a great impact by loving Ruth.

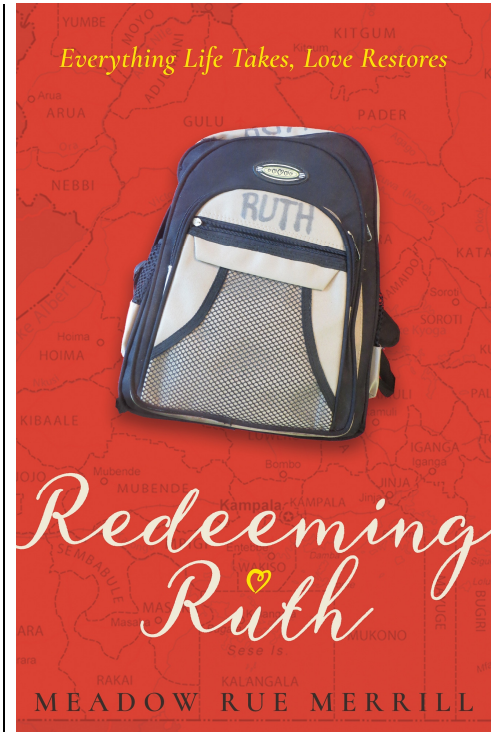

We welcomed Leah back for her 3rd volunteering stint - to work with the development of the children and also helping to train staff. Thank you Leah! Our Dutch friends Alibert and Annemie were back to serve this past month. Thank you both!

My biggest need this trip are two failing washing machines, a broken down van, and our car that was in an accident needing repair. Are you able to help with extra for these unexpected expenses?

Please don't forget amazon smile
