*Dear Welcome Home Friends and Family,*

As I handle much of the responsibility for Welcome Home I am very aware of how many of you invest in our children. Large numbers of you invest in more than one area. Prayer, finances, making of clothes and blankets, supplying needed items and volunteering in the USA, Canada and Holland, Australia as well as in Uganda. It is not enough just to say thank you. As a ministry we ask for God's blessings to your life and to your loved ones. **Thank you for your many sacrifices** – we really do notice and recognize them.

This past week we bid farewell to sisters **Katie and Leah** who selflessly invested into our children lives for the past 6 months. This was their 2<sup>nd</sup> extended time with us. There are many little hearts in healing mode because of their love. Many little brains stimulated and challenged because of their investment into activities for the children. **You are appreciated!**

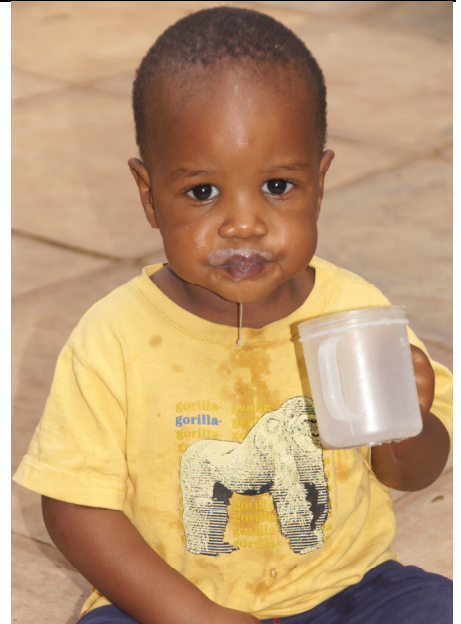

There are several families who are working with us to adopt children who could not be returned to village life. Please keep these children being adopted and the families in prayer. **The adoption process is one long hard battle that needs much prayer.** Pray for the adoptive parents as this is one of the hardest trials they will face as nothing is in their control in Uganda.

**We need more funds!** We are making a difference for the at risk children of Uganda. Would you consider how you could help us maintain and expand our reach into these needy young lives?

**Do you have someone among your friends, family or coworkers** who you could ask to join our monthly support team? If you need brochures contact Mandy.

**Thank you all!!** You make our work possible.

*Blessings from Mandy  
and Your Welcome Home Family*
