

A very happy little Miss - looking so healthy now.

Dear Welcome Home Friends and Family,

With all my heart I thank you for your response to my plea for help in the last news letter. Many of you have responded to the financial need and others, unable to give, prayed fervently. We are not completely out of the woods but have made a lot of progress. It is sometimes very overwhelming to face the ongoing and growing needs of the home.

Mother deceased father unable to care for child

There is a never ending stream of children in desperate situations, be it death of mother, mental mother, abandonment or just abject poverty.

Are you able to share with neighbor, friends, family, about helping our solid ministry. We are touching the lives of very needy Ugandan children. We are looking for more monthly donors to be long term partners to care for these precious little ones.

Mother deceased, father unable to care for child

This past month we had several go home as their families are now able to care for them. Two are now happy with their foster family. Several new little ones have come in desperately needing care. We do our best to give them a safe haven of love.

Thank you for partnering with us to touch the lives of the innocent children who need our help.

Blessings from Mandy, and Your Welcome Home Family.
