

# Welcome Home Ministries – Africa October 2011

To Love, Care, and Pray Destitute Babies Back to Health; or into Jesus Loving Arms.”

2011

New little ones this past month.

Anita from Holland bids Christopher farewell.

Mummy Irene farewells Charles.

*Dear Welcome Home Friends and Family,*

Thank you for your love and support for our children. It is you who enable us to make a difference to their little lives. Our Ugandan Staff do a wonderful job caring and following up on all the children. Those who have gone home to the village are checked on many times a year to see how they are. Medical cards are sent to cover needs.

*Below: Christopher goes home with goats, bed, blanket, mosquito net and a sack full of clothes he “shopped” for himself in our supply room.*

Returning home a little scared but also excited Christopher and Charles return home to their families. Both mothers died around the time of their birth so there was no one able to feed and nurture them. The family is finally in a position to care for them with adequate food and schooling and hopefully love. Please pray for them to settle well.

*Above* Charles whole family gathered to meet which was a little overwhelming for him. They were excited to be able to have him home.

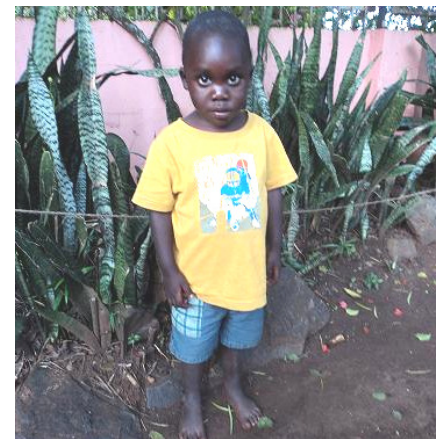

**Seth returns:** We found it necessary to re-admit Seth to our home after 16 months at home. After his grandma died he was not able to settle as a child needs to, because of a step relationship that was very strained and angry. He was very happy to return to us.

Please help East Africa (famine); Samaritans Purse is a good avenue.

**Blessings from Your Welcome Home Family**

Social Worker Hope farewells Christopher.
