Mumma Connie with new baby Samuel.

Dear Welcome Home Friends and Family,

Things in Uganda are changing some. Covid is still quite active especially in Kampala, the capital city. The good news is that the airport is now open and my husband Luke and I will be making a quick trip over this month to carry supplies. We will be working with the builder regarding the medical clinic (we received a grant for it) that is being built in Lwambogo village - it will serve many children (and adults) suffering in 10 surrounding villages.

**Early Christmas shopping?** consider Welcome Home T-Shirts. Contact [LMSydo@gmail.com](mailto:LMSydo@gmail.com). Also for Christmas you can send a financial gift in honor of a relative or friend. We will send them a Welcome Home Christmas card on your behalf.

Can you imagine Home Schooling 36 children and also Pre School for 13 more? Our staff have been doing a wonderful job. The children have all been kept busy and happy during this Covid chapter of all their lives. Their days are quite busy.

Victor and Janet are teaching the children extra English classes as English is the language of the future in Uganda. We try our best to give all the children a good foundation for learning.

We appreciate the prayers and faithful support of all our donors. Without you this ministry would not be possible. You enable us to touch the lives of many and give a future and hope. **Thank you!!!!**

*Blessings from Mandy,  
and Your Welcome Home Family.*
