“To Love, Care, and Pray Destitute Babies Back to Health; or into Jesus Loving Arms.”

2010

Resty N. (senior) is full of joy

Dear Welcome Home Friends and Family,

May you all have a blessed Easter reflecting on the sacrifice our Savior made for us - Jesus gave His life to give us peace with God.

Mid-morning Juice time for the Toddlers.

They now have a care-free life at WHMA

Anita from Holland -part of family

There is no room at the inn is our saying for this month. Usually that is spoken at Christmas, not when we are ready to celebrate Easter. All the beds that were emptied out at the end of last year have all been filled with new precious little ones. For the most part all the children are well, just experiencing nuisance childhood maladies. A few have had Malaria which without the best medical care can take a little life or leave the child brain damaged. We are so very thankful for International Hospital clinic and Al Shafar clinic - they treat our children with such wonderful care **day and night**.

Thank you! Thank you! Thank you! The giving hearts of people continue to really encourage us all as we care for the children. To all who pray for us and support the home with finances and needed items we want you to know we appreciate you very much.

Thank you! to the ladies in **St. Johns, Corona (California)** for another supply of blanket's, dresses and shorts.

Thank you again to **Christine of Maine and her church** which put together individual bags of clothes and goodies for all the children. They will have Christmas mid year when they are carried over.

Thank you Anita! who is a young school teacher from Holland has served faithfully with us since October 2009. She has become very much part of the children's family. An emotional farewell this week!!

Thank you to Wil in Holland. A former colleague of our friend Annemie retired and donated his farewell check to WHMA.

Local Uganda Youth volunteer a day with the children and bring gifts for the home. **Thank you Jinja Youth for your sacrifice!** It is these young people from all denominations who help us with outreaches in the villages.

Blessings from Your Welcome Home Family
